HEALTHCARE

Powered by

**Arena International, a GlobalData company, is the premier provider of conferences for the biopharmaceutical industry. GlobalData PLC is the fastest growing content, data, and technology company on the London Stock Exchange.**

**Our combined capabilities help over 4,000 clients identify, target, engage and build lifelong relationships with their most valued customers.**

# Heritage and expertise

We have developed a reputation of providing access to an audience of senior buyers at a time when they are actively sourcing solutions and partners. We achieve this by providing a series of exclusive events for senior-level executives across the healthcare and pharmaceutical industries which provide a unique opportunity to exchange ideas, network and stay up-to-date on industry trends.

Our annual programme - attended by over **10,000 professionals each year** - welcomes industry-leaders to facilitate positive change through discussion and debate.

LEADERSHIP

BRANDING

LEAD  
GENERATION

## Reasons to sponsor Arena International conferences

01

Build relationships in an intimate and enjoyable environment

02

People buy from brands they trust so you will be building brand awareness and recognition with the perfect prospective customer base - get your brand front of mind

03

Explain and demonstrate what is unique about your solutions, and how it can help your target audience based on their challenges

04

Understand what challenges and struggles your new business targets are currently facing

05

Promote your credentials, customer base, successes, and the outcomes your solutions deliver

06

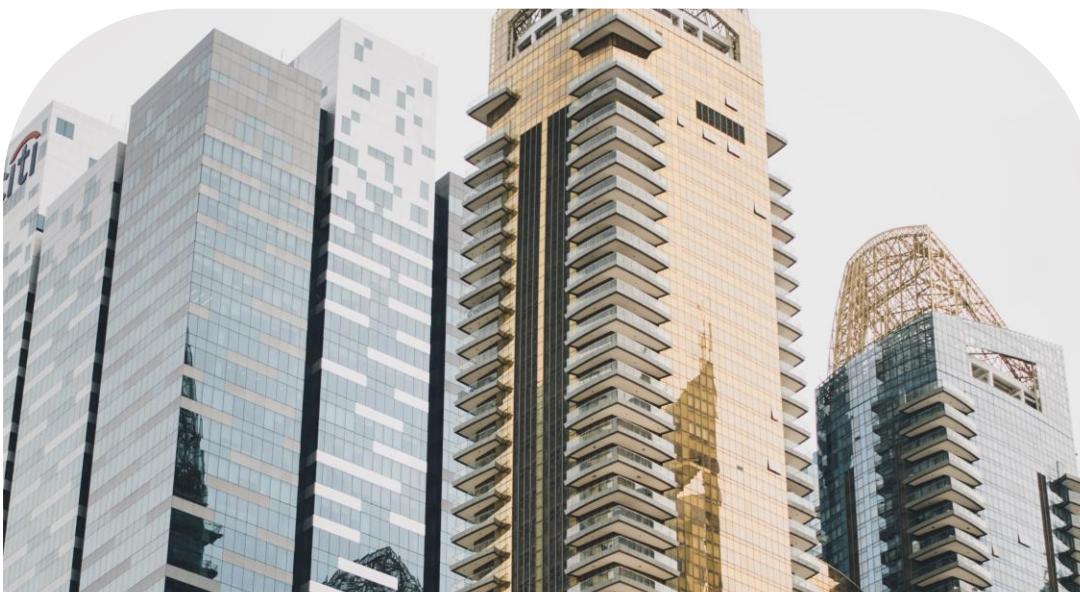

Create viable new business opportunities with qualified budget holding decision makers from your new business target account list

07

Over 67% of the delegates have a follow up call or meeting with the sponsor post event

## Virtual Events

01

Build sector visibility and industry credentials through a combination of live and pre-recorded,

02

Develop your brand story through virtual exhibitor stands carrying text and video content, branding, and messaging capabilities.

03

Powerful AI technology identifies relevant delegates and exhibitors with shared interests – allowing you to build your network with confidence.

04

Get access to audience information complete with names, job titles, company, contact details and background information, fully GDPR compliant.

05

Full analytical breakdown of engagement with attendees - live chats, presentation views and booth visits.

THE VIRTUAL CONFERENCE FORMAT DELIVERS ALL THE BENEFITS OF A TRADITIONAL IN-PERSON EVENT WITHOUT THE COST AND EFFORT OF TRAVEL.

Across a range of online presentations, panel discussions, and case studies we deliver cutting-edge content across our platform and provide solution providers with unrivalled thought-leadership positioning to our audience.

Alongside the event agenda we have a thriving virtual exhibition lounge where solution providers can host an unlimited amount of marketing documents and videos, and also engage in both text and video chat with attendees.
